Hi all,

Tomorrow's call (7/13 at 2pm ET) will focus on getting feedback on the agenda for our August 2nd staff retreat and potential announcements for the GCAS. Please note that the attached GCAS fact sheet is only indicative – I'm hoping to get your feedback as to 1) whether this is moving in the right direction, 2) whether any of these action items are redlines, and 3) is this the right product for sharing the work of the Alliance. The working groups are still iterating on these.

Finally, I wanted to share the "challenge" from the NWL learning lab this week. The attached is a brainstorming piece by the technical experts from the state teams. They will be sharing this with you more formally to be iterated by you and them internally, and then cleared through our normal USCA process.

Thanks,

Julie
